

# THE DOTHAN EAGLE

VOLUME 2

DOTHAN, ALABAMA, THURSDAY EVENING, MARCH 2, 1911

NUMBER 147

## ONLY ONE FIRE DURING LAST MONTH

DOTHAN FIREMEN DID NOT TAKE HOSE OFF WAGON DURING FEBRUARY.

February was a banner month in Dothan along the fire line. There was only one fire in the city during this month and it was extinguished before the firemen reached the scene. The damage amounted to about \$5 which is a total of fire damage during the 28 days. The fire company had four runs, three of which were false alarms and at neither call were they forced to unroll the hose or use the chemicals. This is the smallest report in the history of the paid fire department organization and each month the amount of damage by fire in Dothan seems to grow smaller.

### TOM CORWINE COMING

Class No. 35 of the Foster Street Methodist Sunday School announces that Mr. Tom Corwine, the famous polyphonic imitator, will be the next lyceum attraction at the Elite. Mr. Corwine will be here on next Monday night and the opportunity to hear such a great imitator will hardly be missed by the Dothan people. Mr. Corwin can imitate almost anything, and does so during the entertainment, from a solo by "Patti" to a bunch of dogs fighting in front of a country postoffice. He is great and is the funniest man in the course.

A Coolidge girl is accomplishing what she is attempting: Attracting the attention of the men by the manner in which she dresses. But it is not the sort of attention a sensible girl desires.

## NO CALLS ANSWERED WITHOUT NAMES

Anyone in the future turning in a fire alarm will save time by first giving their name and then stating where the fire alarm is for the name will be asked before the alarm will be taken. This is a rule recently adopted by the Dothan fire department and so far has proved to be a good one for it prevents so many false alarms, which, although do no damage to property, cause the horses many long runs and sometime count in the eyes of the fire marshal.

Tuesday night someone attempted to turn in an alarm that a fire was in the southern part of town but refused to give their name. The fire company made an immediate investigation and the alarm proved to be a false one.

This has been the case many times in the past few months for some people like to see the horses run and to hear the clang of the gong, but a hard effort to stop this is now being made by the city officials. An alarm was turned in stating a bad fire on East Main street several nights ago and was answered although the name could not be gotten. This also was a false alarm but the sender has not been found. A standing reward of \$25 is offered by the city for anyone turning in a false alarm and any person found guilty of this make themselves subject to a heavy fine.

## J. LEE LONG GETS APPOINTMENT

Appointed President State Back Tax Commission; Alex Walker Made Superintendent of Banks

Montgomery, Ala., March 2.—Governor O'Neal has appointed the Hon. J. Lee Long, representative from Butler county, president of the state back tax commission.

Alex Walker, of Florence, was appointed superintendent of the state banks, under a new law which is just in force.

It is generally conceded that James G. Oakley, of Bibb, will be made president of the convict board.

A special sent out from Montgomery yesterday evening reads as follows:

It is understood that the governor has about agreed upon the personnel of the new convict board. According to reports current here today, James G. Oakley is to be president, although there are many who believe that Lee Long will be given the place.

For physician inspector it is understood that Dr. Fowler, of Escambia, (should have been Houston) or Dr. Justice, of Elmore, will land the place. The appointments were expected last night, but were postponed for some cause.

### WASH THAT ITCH AWAY

It is said that there are certain springs in Europe that give relief and cure to Eczema and other skin diseases. If you knew that by washing in these waters you could be relieved from that awful itch, wouldn't you make every effort to take a trip to Europe at once? Would you not be willing to spend your last cent to find the cure?

But you need not leave home for these distant springs. Relief is right here in your own home town!

A simple wash of Oil of Wintergreen, Thymol and other ingredients as compounded only in D. D. D. Prescription will bring instant relief to that terrible burning itch, and leave the skin as smooth and healthy as that of a child.

If you have not already tried it, get at least a 25-cent bottle today. We assure you of instant relief.

### WHATLEY-WHEELER

Mr. A. J. Whatley of this city, and Miss Alma Wheeler, of Cordale, Ga., were married yesterday afternoon at 1 o'clock at the home of the bride's parents, by Rev. Cramer, of the First Baptist Church of Cordale. The wedding was a quiet home affair and only a few friends and relatives of the young couple were present.

They returned to Dothan last night and will be at home to their friends at the home of Mr. and Mrs. W. H. Grant on North Foster street.

The groom is associated with the firm of C. B. Whatley and Brothers, of Dothan, and is a young man of high standing here as well as in Ft. Gaines, where he has always made his home before coming to Dothan a few weeks ago.

The bride is the charming and accomplished daughter of Mr. and Mrs. J. J. Wheeler, of Cordale, and comes from one of the most prominent families of that city.

Among the out-of-town attendants at the marriage were Messrs. Walter Whatley and Charlie Ross, of Fort Gaines, and L. A. Farmer and C. B. Whatley of this city.

They were tendered a lovely reception Tuesday night by the bride's parents and besides the out-of-town guests, there were a number of Cordale friends present.

### HURT PLAYING BALL

While engaged in a ball game at the Grammar School today at noon, Joe Sanders, oldest son of John Sanders, was struck accidentally under the eye by a baseball bat, sustaining a quite painful, but not serious, injury. The bat was in the hands of Arthur Weaver. Young Sanders was brought to town by Professor Pittman, where he received medical treatment.

### THE DIXIE MOTHER.

The heart of every person who attends the Criterion theatre tonight will be touched by a picture such as never before shown here, "The Dixie Mother." This picture portrays all the hardships and sufferings known to the South during the civil war and especially the hardships of the woman with the motherly love, the love of a wife and the love for her country and the "lost cause." It is interesting, both to the North and the South, very touching, not overdrawn, but true to life in every respect.

A. B. Bush, of Cotton Hill, is in Dothan today visiting relatives and friends here.

## ROLLINS GOT THE WRONG NEGRO

The negro man supposed to have been Will Kirk, wanted in Osceola, Arkansas for the murder of the chief of police of that city, and who has been held for several days by Officer Rollins, proved an alibi yesterday afternoon and was given his freedom. The negro answered in every way to the negro wanted in Arkansas with the exception of a small scar on the chest which he lacked. A reward of \$1300 is offered for Kirk and owing to the fact that he has many relatives in this part of Alabama the officers have been busy after him.

### ABOUT MR. CAMPBELL

Dothan friends of Rev. Sam H. Campbell were interested to know where he would go, as he has resigned his pastorate at Troy. The following comes from the Messenger:

"Rev. Sam H. Campbell left yesterday for Little Rock, Ark., where he has a call to the pastorate of a Baptist church. He has not yet decided upon his calls, having one also from Paducah, Ky.

Dr. W. R. Booth, of Campbellton, Ga., was in the city today.

Mrs. Ad Grant, of Headland, was here today visiting relatives.

While there isn't any excuse for side whiskers, no man who wears them should make them worse by wearing a cap in accompaniment.

"Foley's Honey and Tar is the best cough remedy I ever used, as it quickly stopped a severe cough that had long troubled me," writes J. W. Kuhn, Princeton, Nebr. Just as quickly and surely it acts in all cases of coughs, colds, lagrippe and lung trouble. Refuse substitutes. Sold by N. H. McCallum. tal

## Birth Day Celebration at the Dothan Normal School (Colored)

The teachers and students of the Dothan Normal and Industrial Institute celebrated the birth day of the principal, Prof. E. Z. Matthews, yesterday. All of them seemed to have enjoyed the program. The teachers in charge presented the many nice presents for each of their classes.

Interesting talks as well as remarks of gratitude were given by the principal. Professor Matthews is proving himself to be the right man at the right time in the right place.

### A SPLENDID TONIC

Corn, Ky.—Mrs. Iva Moore, of this place says, "I was so weak I could hardly walk. I tried Cardui, and was greatly relieved. It is a splendid tonic. I have recommended Cardui to many friends, who tried it with good results." Testimony like this comes unsolicited, from thousands of earnest women, who have been benefited by the timely use of that successful tonic medicine, Cardui. Purely vegetable, mild, but reliable, Cardui well merits its high place in the esteem of those who have tried it. It relieves women's pains, and strengthens weak women. It is certainly worth a trial. Your druggist sells Cardui. tal

HENRY CLAY AS A BUSINESS MAN

Even the student of American history rarely associates Henry Clay, the great Kentuckian, with any relation in life except that of a statesman. It is generally admitted that he is one of the greatest Americans in the history of our country, and it is interesting to learn that he was also a good business man

The records of the National Life Insurance Company of Vermont show that Henry Clay was one of the charter members, being among the prominent men who were named in the bill granting a charter to this great organization, in the year 1849. His conservatism has been one of the principles to which all later officials held unswervingly, and the company has grown in the past sixty-three years to one of the greatest business organizations in the United States, and having over fifty-million of assets and one hundred seventy-five million of insurance in force. The net cost of this insurance is as low as any other company in the United States, and the policy contracts are guaranteed by none

Dear Sir:—

I have been using Grange Mixture  
ever since you have been making it.  
I quit a year or two but went back to  
it. Last year I put nine bags on five  
acres and got 2070 lbs. flat cotton  
off of that five acres. I put seven  
sacks of Grange Mixture on six acres  
of corn and I got forty-five bushels  
to the acre.

Yours truly,

J. W. Durham.

Dear Sir:—I have used your guano  
nearly every year since you have mix-  
ed guano. I am well pleased. I  
made on two acres last year with your  
guano 3,388 pounds of seed cotton.

event complete without a cup of French Market Coffee as a "nightcap."  
In the War of 1812, after Andrew Jackson's brilliant victory, he stopped  
at the Market House and tasted his troops to French Market Coffee.

Then it could be had nowhere else. But today you may all serve it at  
your table—for the old French Market blend is perpetuated by
